Katherine Jameson Piano Scholarship Application

Instructions

CMSP is pleased to announce the creation of the Katherine Jameson Piano Scholarship, and invites students with a dedicated interest in piano to apply for the scholarship for 2025. The scholarship will provide one student with piano instruction from the Community Music School of the Piedmont for one academic year.

This scholarship is established to honor the late Katherine Jameson, a well-known and much-loved music educator in our community and the first piano instructor at the Community Music School. Katherine was devoted to music and the music education of children.

Students between the ages of 10 and 18 who have demonstrated a passion and ability for music are eligible to apply, regardless of prior piano instruction. To apply, students are required to submit a letter of recommendation from someone outside their family (ideally a music instructor) familiar with their musical interests and write a 500-word essay on the role that music plays in their life and why they consider musical study to be an important and valuable undertaking. A successful essay will also demonstrate the student's interest in studying the piano.

The Scholarship Committee will accept applications until December 1, 2024. A committee comprised of piano faculty and CMSP board members will review the applications and announce the winner in December. Lessons through the scholarship will be available beginning in January 2025.

To apply, please submit your completed application and student essay to the address below by December 1, 2024. Your letter of recommendation will also need to be submitted by December 1, 2024 (see Section IV of the Student Application for details).
